Things you should know about the curbside recycling program:

- Use only the clear bags provided. Other bags will not be collected.
- Have your bags out by 8:00 a.m. on your scheduled day to assure collection. (Not the night before to avoid theft)
- Stomp plastic bottles, jugs, and aluminum/steel cans flat to save room in bags.
- If your sanitation services are collected from your alley, please call for correct placement of recycling bags.
- **NEED MORE BAGS?** Use the yellow reorder sticker provided with the bags. You may also request bags on-line at www.cstx.gov/recycle or by calling College Station Recycling, 764-6228.

Bag & Tie

TRASH won't Fly

Automated Garbage Collection is provided once a week. Each residence is provided an automated garbage cart that should be rolled to the edge of the curb by 8 a.m. on the scheduled day. All garbage placed in the cart **MUST BE BAGGED**. City Ordinance requires carts to be removed from the curb within 12 hours of collection.

Brush Up on

Brush Collection

College Station offers weekly Clean Green Brush Collection. Heavy brush collected is taken to the Bryan Compost Facility to be shredded and composted, or recycled into a soil amendment or natural fertilizer. College Station supports the Don't Bag It! Lawn care program by encouraging citizens to leave grass clippings on the lawn.

Bulk Item

Collection

College Station provides weekly bulky item pick up. Bulky items include items too large to fit in your garbage cart such as kitchen appliances, furniture, and flattened cardboard. **ALL REFRIGERATORS, FREEZERS, & AIR CONDITIONERS MUST HAVE FREON EXTRACTED BY LICENSED HVAC PROFESSIONAL PRIOR TO PICKUP.** Place bulky items within 3 ft of the curb in a location easily accessible to the collection vehicle and separated from brush piles or recycling bags. To locate facilities accepting Freon or donation facilities for reusable items visit our online Recycling Directory. (www.cstx.gov/recycle).
